Physics Characterization& Application of thick & thin film metal oxide semiconductor

.(21/03/2014 22/03/2014)

Report of a two-day state level conference on thin and thick films [deposition, characterizations and application]' conducted on 21-22 March 2014. The teachers of Physics, Electronic Science and M.Sc. students from various colleges in Nashik district were invited. After registration all the participants had a breakfast and tea. The inauguration function was started at 10.15 a.m. Dr. A. P. Patil. The Principal of the College was present as a chairperson for the inauguration function. Adv. Nitinaji Thakare Upasabhapati Nasik was present as chief guests. The inauguration function started with welcome speech given by Dr.A.P.Patil, The principal of College. In welcome speech Dr. A.P.Patil, welcome the chief guest, all the resource persons and all the participants present for the seminar. She also emphasized the importance of the simulation in education. Then after Inaugural function introduced the resource persons Dr. S.I.Patil From SPPU Pune Dr. S.D.Dholepatil, Associate professor, Dept of physics SPPU pune, Dr.A.V.More SPPU Pune expressed the importance of the subject of the Thin and thick Films. Prof. C.D.Khairnar expressed vote of thanks. The first session started at 11.15 am. In this session Prof. Dr. S.I.Patil from SPPU Pune delivered a talk on he delivered a talk on thin and thick films [deposition, characterizations and application. The next session was conducted by Dr.S.D.Dholepatil he delivered a lecture on Deposition. The next session was conducted by Dr.V.L.Mathe he delivered a lecture on Characterization and its application. Oral and Poster Presentation of Participants. On the second day (22/03/2014), Technical was conducted by Dr. B.G.Wagh Principal of K.K.W. College (Pimplgaon College) he delivered a lecture on Characterization. The second session 11:30: Dr.Prin. G.H.Jain SNJB Chandawad College he talks on thin and thick films Application. The Fourth session was conducted by Dr. S.S.Kale he delivered a lecture on Deposition and characterization. Participant presents their research paper. In the valedictory function few participants expressed their views. According to them the seminar was very successful; all the important aspects of the subject were explored by the resource persons.

One Day State Level Workshop on Syllabus Revision (S.Y.B.Sc. Physics)

The department of physics organized one day workshop on SYBSc physics syllabus revision on 1/3/2014. Total 34 participants were present for the seminar. The theme of the syllabus is according to 2013 pattern. The changes, modifications and revise the syllabus for semester I and semester II. The program was inaugurated by Dr. B.G. Wagh BOS, SPPU PUNE. The first session started from 10.00 to 12.30. Discussion on the revision for physics paper I and paper II was conducted by the chairperson.

After the lunch break there is discussion on the syllabus changes, modifications for S Y B Sc semester II. After that at 3.30 to 4.00 pm, panel discussion for the final draft was done. Some of the topics are deleted from physics paper I, mathematical methods of physics. Some of the topics from optics paper are deleted. The practical course pattern kept as the original one. The department of physics took effort to conduct the program.

Revised Syllabus of S.Y.B.Sc Botany - Department of Botany

One Day Workshop on S Y B Sc Botany Syllabus Revision

One Day Workshop on S Y B Sc Botany Syllabus Revision was organized in the college by department of Botany on 11th December 2013 it was sponsored by BCUD SPPU. In this workshop 33 Faculty members from various colleges of University of Pune have been participated. The first session of the seminar is conducted by Dr. M V Mali professor of K T H M College , Nashik . Second session of the seminar was conducted by Dr Arun Kulkarni, Associate professor of Ahmadnagar College, and third session of seminar is conducted by Dr. R Barmukh Modern College Pune. Dr S Laware, Furgussion College, Pune, Dr H S Patil , Vidhya Pratishshtan College, Batamati have discussed the various applied botany courses for undergraduate students. To organize this program, our principal Dr .A P. Patil encouraged and guided us .All committee members of program took efforts for grand success of this program

Department of Statistics

Statistical Method for Measuring unmeasurable things

A one day state level seminar on differential equation was organized in the college by department of mathematics on 21st March 2014 it was sponsored by BCUD SPPU . There are all 69 students and teachers participated of which 23 are teachers in this program . The first session of the seminar is conducted by Dr.M B Kulkarni professor of B Y K College,Nashik.. Second session of the seminar was conducted by Dr. Sham Ashtekar Research Guide of YCMOU . Associate professor of Dr Alka Padhye K T H M College guided in third session of seminar. The scope of statistics in measuring qualitative approach was discussed in detail To organize this program , our principal Dr .A P Patil encouraged and guided us .All committee members of program took efforts for grand success of this program

Report on
A one day state level seminar On 22nd December, 2014
Tourism Development & Tourism Potentials in Maharashtra

A one day state level seminar on **Tourism Development & Tourism Potentials in Maharashtra** organized by **Department of Geography, MVP Samaj's Arts, Science & Commerce College Ozar Mig** on 22nd December, 2014. The programme was sponsored by BCUD, Savitribai Phule Pune University, Pune. Total 69 Teachers, 8 PG students and 36 local students were beneficiaries of the Programme, which was inaugurated by chief guest Mr. Dilipraoji More, Director, MVP Samaj Nashik. On this occasion Souvenir was published.

In the first session of the seminar, Dr. Joytiram More, BOS (Geography) member of Savitribai Phule Pune University, Pune guided the participants in his key note address that Maharashtra is popular domestic tourism. Its destination is from renowned pilgrim places to hill stations, beaches, historical heritage, wildlife, caves etc. The rich history, geography and culture of Maharashtra attract tourists. Though Maharashtra boasts of a number of preferred tourism destinations, the inadequate infrastructure to explore these attractions are a major hindrance for tourists.

In the second session of the seminar Prof. L.V. Mahale delivered a lecture on Tourism Development in India and planning for organized tours. He guided the students and teachers how to organize the tours and what kind of pre-preparations are required for such tours.

In the third session of the seminar Prof. Anand Bora delivered the lecture on Problems and Prospects of Tourism. He highlighted the various problems and prospects of tourism and also explained how plants, animals and forest are useful for environmental balance through video clips. So the tourist must take care of all these factors at the time of their tourism.

In the fourth technical session participants presented their papers in the seminar. The session was chaired by Prof. B.R. Tambe and reported by Prof. S.A. Dhat. Mr. Dilipraoji More, Director, MVP Samaj Nashik chaired the programme and Dr. A.P. Patil welcomed the chief guest and highlighted various activities which are on in the college. Prof. Nitin Borse introduced the purpose of the seminar and Dr. Sanjay Pagar, HOD proposed the vote of thanks. Prof. M.B. Thakare compered the programme.

One Day State Level Seminar organized on

"Subjective Well-being"

22/12/2014

The Department of Psychology organized a One Day State Level Seminar on "Subjective Wellbeing" on 22/12/2014. It was sponsored by BCUD, SP Pune University, Pune. Following research persons graced the seminar with their informative lectures.

1. Prin. Dr. P. V. Rasal K. G. D. M. College, Niphad
2. Dr. M. A. Bhardwaj Senator, HOD Department of Psychology L. V. H. College, Nashik
3. Ms. Shubha Baldota Counsellor and Founder of Institution "Education Friendly"

The one day state level seminar was carried in four sessions. Hon. Dilipraoji More, Director, MVP Samaj, Nashik graced the inaugural ceremony. In second session, Prin. Dr. P. V. Rasal, K. G. D. M. College, Niphad gave Key Note address. Dr. M. A. Bhardwaj, Senator, HOD, Department of Psychology, L. V. H. College, Nashik gave her valuable guidance in the same session. In third session, Ms. Shubha Baldota delivered an informative lecture. In fourth session, teachers and students presented their research papers. Dr. V. I. Shinde, Department of Psychology, L. V. H. College, Nashik chaired the session. Dr. A. M. Bacchav, Department of Psychology, L. V. H. College, Nashik graced valedictory function. Thirty three teachers and thirty seven students participated in seminar. The souvenir of abstracts of research papers is published on the day of seminar.

Emerging Trend in Nano Science & Nano Technology

23/12/2014 To 24/12/2014

Two-day seminar on 'Emerging trends in Nanoscience and nanotechnology' conducted on 23-24 December 2014. The teachers of Physics, Electronic Science and M.Sc. students from various colleges in Nashik district were invited.

In the morning registration for the seminar started at 9.30 am. After registration all the participants had a breakfast and tea. The inauguration function was started at 10.15 a.m. Dr. A.P. The inauguration function started with welcome speech given by Dr. A.P. Patil, The principal of College. In welcome speech Dr. A.P. Patil, welcome the chief guest, all the resource persons and all the participants present for the seminar. She also emphasized the importance of the simulation in education. Then after Inaugural function introduced the resource persons Dr. S.I. Patil From SPPU Pune Dr. S.D. Dholepatil, Associate professor, Dept of physics SPPU pune, Dr. A.V. More SPPU Pune expressed the importance of the subject of the seminar and objective of seminar. Prof. M.K. Deore expressed vote of thanks.

The first session started at 11.15 am. In this session Prof. Dr. S.I. Patil from SPPU Pune delivered a talk on Emerging trends in nanoscience and nanotechnology he delivered a talk on physical properties of nanostructure material. The next session was conducted by Dr. S.D. Dhole patil he delivered a lecture synthesis and diffusion of nanoparticle.

The second session started at 12.30 am. In this session Dr. A.V. More Associate professor Dept of physics take on research activity carried out at SPPU, Pune, Dept of Physics synthesis and characterization.

From 1.30 p.m. to 2.15 p.m. it was a lunch break. The third session started at 2.15 p.m.. In this session Oral Presentation 15 Participants.

The second day (24/12/2014), Technical session started at 10:30 am Dr. Bhalchandra yadav associate professor dept .of applied physics BAMU delivered a key note address on multimetallic nanoparticules and their applications.

The second session 11:30: Dr. A.V. Borahade Associate prof .Dept of chemistry delivered a talk.

The Fourth session began at 3.30 pm. In this session Prof. M.K. Deore co-ordinator deliver a lecture on synthesis of process on structural Properties of Nano ZnO Material.

The next session started on 3.00 PM Participant present their research paper.

Valedictory function started at 4.30 p.m. In the valedictory function few participants expressed their views. According to them the seminar was very successful, all the important aspects of the subject were explored by the resource persons.

A One-day Workshop on Preparation of NAAC Accreditation report of the colleges 16th February 2016 for the faculty of the College with the goal of raising awareness among the staff about the best way to prepare for the third cycle of reaccreditation, by IQAC, Arts Science & Commerce College Ozar (Mig) College, Ozar(Mig). Also, points are discussed about the information required for each criteria of SSR. The Workshop was conducted by Dr. S I Patel, IQAC Coordinator of the College, There were around 59 participants from Nashik District from various colleges have been participated

Sixty Four Years of Planning in India: Achievements & Failures

Department Of Economics

Report of Seminar

Department organised one day state level seminar on last sixty four years economic planning in India , Achievement and Failures " on 18th November 2016 sponsored by BCUD , SPPU ,Pune . 30 outstation and 20 local participant participated in this seminar. Director of MVP Samaj Dr. Visharam Nikam, , Hon Executive Council Member Dr. D.R. Bachhav , Dr. B.D. Khedkar R renowned resource person inaugurated the function. Theme of the seminar is to study effect of agriculture, industry, population poverty on Indian economy and to study trends in Economy for future 20 years. Students of Commerce & Economics are benefitted by this Seminar.

An enlightening successful national seminar on “Agriculture, Population and Tourism” was held on 22nd and 23rd December 2015 at MVP Samaj’s Arts, Science and Commerce College, Ozar Mig Nashik.Ozar Mig: 22 December, 2015

“Tourism industry, agriculture sector and population are capable of shaping the entire economic potential of a nation. There are varieties of tourism options which include ecological tourism, pilgrimage tourism, historical tourism, adventure tourism & medical tourism. Tourism in India has a very high potential of growing at a lightning speed” asserted Dr.Sunil Dhikale, Secretary, MVP Samaj Nashik in his inaugural address of a two day national level seminar on “**Agriculture, Population and Tourism**” organized by **MVP Samaj’s Arts, Science & Commerce College ,Ozar Mig recently**. The programme was sponsored by the University Grants Commission, New Delhi. Total 97 Teachers,54 Students, were beneficiaries Total No of papers presented 55.

In the first session of the seminar **Dr. Vishwamber Prasad Sati**, Professor of Geography and Resource Management, Mizoram University, guided the participants in his key note address that agriculture, population and tourism are co-related sectors and play dominant roles in the development of India. They are prominent resources so the research study on them is intensively anticipated. The destinations of tourism are from renowned pilgrim places like hill stations, beaches, historical heritage, wildlife, caves etc. The rich history, geography and culture of India attract tourists.

In the second session of the seminar Dr.B.R.Thakur delivered a lecture on **Sustainable Development in India**. He explained that the development of India should be sustainable without disturbing an environment and the resources should be retained for future generation.

On second day in the first session of the seminar Dr.Manoj Kumar, Adampur, Hisar delivered a lecture on **Field work in Geography: Issues and Challenges**. He explained the importance of field work and survey in research as well as in the study of Geography with various examples .According to him cartography technique is very important to represent all data about research.

In the second technical session participants presented their research papers. The session was chaired by Dr. **Vishwamber Prasad Sati** and reported by Dr.Manoj Kumar in this session participants presented their research papers.

Dr.Sunik Dhikale, Secretary, MVP Samaj Nashik chaired an inaugural function of the seminar and Dr.A.P.Patil welcomed the chief guests and highlighted various activities which are held in the college. Prof.M.B.Thakare explained the purpose of the seminar. Dr.Sanjay Pagar, HOD and Convener of seminar introduced all chief guests. Prof.M.B.Thakare Co-ordinator of Seminar Introduced about Seminar. Prof.N.B.Borse proposed the vote of thanks.

Prof. Sradha Raravikar compered the programme. Vice Principal Prof. R.H. Thakare, Prof. Smt. S.T. Wagh, Prof S.T. Report On

New Technologies in E-Commerce 25th Jan. 2017

A one day state level seminar on New Technologies in E-Commerce organized by 'MVP' Samaj's Arts, Science & Commerce College Ozar (Mig) on 25thJan 2017. The program was sponsored by BCUD, Savitribai Phule Pune University , Pune . Total 43 teacher and 49 students were beneficiaries the program. The seminar was inaugurated by chief guest Mr. Diliprao More, Director of MVP Samaj Nashik. The papers received during the seminar were published in online journal.

In the first session of the seminar Dr. Kanchan Fulmali, of Mumbai University, guided the participants. In her key note address she told the importance of E-Technologies in various sector. She gave few example of B2B, B2C, C2C, & C2B . She also focuses on cyber law advantages and challenges of E-Commerce. Dr .R. D. Dareker of K.T.H.M. College, Nashik guided about e-commerce and e-business goals and benefits of internet marketing.

In the second session Shri.B.N.Gadakh,Director Kaliya exports told the impor-tance of online transactions in export business and opportunities in this field . Prof .P .R. More delivered a lecture on e-commerce and e-payment system of banks.

In third session Dr. Arvind Railwar, Beed deliverd very nice lecture on growth challenges of e-commerce. He gave very valuable information to all participants.

In the fourth technical session participant presented their papers in the seminar. The session was chaired by Prin.Dr.D.B.Shinde and reported by Dr.A.K.Shinde , Dr.S.V.Patil welcomed the chief guest and highlighted various activities which are in the college. Prof.S.E. Brahmkar introduced the purpose of the seminar and Prof.Smt.S.N.Purkar, HOD, proposed the vote of thanks, Prof.A.T. Aher and Prof.B.S.Gadakh compared the program.

Applications of Differential Equations. 25/01/2017 Department of Mathematics

Workshop on Applications of differential Equation

A one day state level seminar on differential equation was organized in the college by department of mathematics on 25th January 2017 it was sponsored by BCUD SPPU . There are al 155 participated participated in this program . The first session of the seminar is conducted by Dr. D.B. Daigude professor of Dr B.A.M.U. Aurangabad . Second session of the seminar was conducted by Dr.K.P.Ghadale. Associate professor of Dr B.A.M.U. Aurangabad and third session of seminar is conducted by Dr. P.G. Bhadane RCP College of engineering . To organize this program , our principal Dr .S.V. Patil encouraged and guided us .All committee members of program took efforts for grand success of this program

Chemistry in Drug Discovery & Material Science. Seminar report Dept of Chemistry

Department of chemistry has organized one day state level seminar on ' Chemistry in Drug Discovery and Material Science' on the date of 20 Jan 2018.

Theme of the Seminar :

The seminar aimed to get innovative ideas from experts in the field of Organic chemistry, Drug chemistry and Material Science. Main purpose of the seminar is to spread a light of knowledge among the students, teachers, research scholars, industry experts and scientist.

For this one day state level seminar 33 Teachers from different colleges and 147 students were participated.

Invited Talk for the Seminar:

Prof. Suvarna Kulkarni , Professor of Glycochemistry,(IIT, Pawai Mumbai) was delivered the lecture on expeditious synthesis of bacterial glycons , carbohydrate recognition on the cell surface. He explained in details about the cell structure and biological activity. Dr. H.V.Thulsiram (Principal Scientist, NCL Pune) was delivered the lecture on synthesis of drug and stereochemistry. He gave the information about synthetic methods for drug discovery and its stereochemistry. The optical activity, Isomerisation, Conformation of the various organic compounds were discussed. Dr. N.P.Argade (Senior Principal Scientist, NCL Pune) was delivered the lecture on 'Success story of science in the synthesis of medicine'. He taught about the different simpler methods of synthesis of basic medicine. Dr. Vijaykumar Khanna (Dept of Chemistry, Ahamadnagar College), delivered lecture on 'Game of Drug Discovery'. Dr Khanna explained the different preparation methods of drug and their action on certain body parts.

Overall this one day state level seminar proved to very useful for teachers and students.
